# Site / Location Report

Site / Location Report displays the Site Name, Location, Sub Location and Jobs associated with a particular site across all of your sites listed.

Access the Site / Location Report via the sidebar. Sites —> Locations —> *Site / Location Report*

You can filter the Reports by selecting the More button which will display the filter options below:

The *Site / Location Report* list can also be exported to an Excel sheet by clicking on the three dots next to the *More* button.
